

THE 22ND ANNUAL

MAMMOTH

FESTIVAL OF BEERS AND

BLUESAPALOOZA™

AUGUST 3-6, 2017 • MAMMOTH LAKES, CALIFORNIA

www.MammothBluesBrewsFest.com

TOP 10 FESTIVAL TIPS

1. Stuff to bring: your **tickets**, current **photo ID** (no photocopies), a **jacket**, a **hat** and/or **sunglasses**, and **sunscreen**. Concert seating is on wood chips, so wear **close-toed shoes** and bring **low-back beach chairs** and/or a **blanket**.
2. Hang on to that **tasting glass**! If you break or lose your glass, we do not provide free replacements. You can purchase a replacement for \$5.00 but only if supplies last.
3. Park at your lodging location and **take the nearby free town shuttle**. Free parking is located in the Eagle Lodge Parking lot at the end of Meridian Boulevard across from Juniper Springs Resort. A Festival trolley runs every 20 minutes to The Wood-site from the parking lot. Paid parking is available on Minaret Road.
4. It takes a while to adjust to the 8000-foot elevation of Mammoth Lakes. If you can, arrive early so you can acclimate to the elevation. Make sure you drink a lot of water and **pace yourself** on the beer—alcohol may affect you differently at high elevations!
5. **Pets are not allowed on festival grounds**. Please do not leave your pet in your car or tied up outside of the festival grounds. Instead, contact one of the following to arrange a place for your furry friend. Local pet boarding services: www.LongValleyDogRetreat.com | www.ApresPoochDogDayCare.com
6. You can exit and re-enter the event at your convenience, once you receive your wristband. Your **wristband is non-replaceable and non-transferable**, so do not remove it between days. You only get one wristband!
7. If you haven't purchased your tickets yet, do it now! They **sell out** well in advance every year.
8. Bring **cash**. Not all of the food vendors and retailers take plastic. There will be ATMs on-site, but they can run out of cash.
9. Stay the week! Bring your golf clubs, fly-fishing gear, mountain bike, and **sense of adventure**! There's lots to do in Mammoth Lakes, including horseback riding, hiking, canoeing and kayaking. Visit our Lodging and Camping pages for places to stay.
10. Still haven't bought your **tickets**!? What are you waiting for? It's going to sell out! If you're in Mammoth Lakes, head over to **Mammoth Brewing Company's tasting room** at the corner of Main Street and Minaret Road (formerly Whiskey Creek) and buy local. Or visit www.MammothBluesBrewsFest.com/tickets and get yours today!
